LAPTOP LOCK NANO

A notebook can be stolen in an instant. Expensive hardware and important data are lost. Targeted prevention is the answer - with a quality lock. Easy, convenient and effective. Ideal for use in open-plan offices, public areas or when working from home.

The Cable Lock Nano is suitable for all models with the commonly used 2.5 × 6 mm slot and compatible with the Kensington Nano Security Slot*. Flexible workplace design thanks to rotatable head. The sheathed multi-

strand steel cable is 1.5m long and has a diameter of 4.4 mm. Two keys are included as part of the delivery.
