LAPTOP T-LOCK

A notebook can be stolen in an instant. Expensive hardware and important data are lost. Targeted prevention is the answer - with a quality lock. Easy, convenient and effective. Ideal for use in open-plan offices, public areas or when working from home.

The Cable T-Lock is suitable for all models with the commonly used 3 × 7 mm slot and is compatible with the Kensington Security Slot for T-Bar*. Flexible workplace design thanks to rotatable head. The sheathed multi-strand steel cable is 1.5m long and has a diameter of 4.0 mm. Two keys are included as part of the delivery. *T-Bar™ is a trademark of a third party without a connection to BASE XX.

Project & tenders: The BASE XX collection has been designed to meet the needs of tenders and large projects. For any enquires about specific opportunities, please contact the team at project@basexx.com
