LAPTOP LOCK WEDGE

A notebook can be stolen in an instant. Expensive hardware and important data are lost. Targeted prevention is the answer - with a quality lock. Easy, convenient and effective. Ideal for use in open-plan offices, public areas or when working from home.

The Security Cable Lock Wedge is suitable for all models with a 3.2 x 4.5 mm slot and compatible with the slim Noble Wedge* security slot. Flexible workplace design thanks to rotatable head.

The sheathed multi-strand steel cable is 1.5 m long and has a diameter of 4.4 mm. Two keys are included as part of the delivery. *Nobel Wedge™ is a trademark of a third party without a connection to BASE XX.

Project & tenders: The BASE XX collection has been designed to meet the needs of tenders and large projects. For any enquires about specific opportunities, please contact the team at project@basexx.com
