- ✦ Comfortable shoulder straps and carry handle

LAPTOP BACKPACK 13–15.6

Your electronic device will arrive at its destination safely with the BASE XX notebook backpack. Your notebook is well protected in the padded compartment.

A fastening strap also ensures that your device is held in place securely without slipping. The 17 litre main compartment offers additional space for documents and personal items. Save space by storing your bottle and umbrella in the side pockets. Mobile accessories such as your smartphone, business cards, pens and so on are always within easy reach in the zip pocket on

the front. The comfortable shoulder straps and handle makes the backpack very easy to carry. All in all, a functional carrying solution for reliable protection both in a professional and private capacity.

BASE XX emphasises the durability of the product with an extended five year guarantee.

Project & tenders: The BASE XX collection has been designed to meet the needs of tenders and large projects.
